BENEFITS
Help in sustaining your plants during bloom, fruit, and seed development and when they lack a specific nutrient.

SIDAI ULTRADIP

Why Choose Sidai Ultradip

- Guaranteed protection against ticks, fleas, mites and nuisance flies
- Ensures smooth, shiny and healthy skin of cattle
- Secures the livelihoods of farmers by saving them from expensive treatment of diseases spread by ticks.
- Gives farmers a piece of mind since all ticks, fleas, mites and nuisance flies are controlled preventing spread of diseases transmitted by them.
- It is very cost effective to the farmer because of its low dilution rate of 1ml per lit of clean water.
